**BCC:** Amy.Held@larchmontcharter.org

Neighbors,

This is an additional reminder regarding upcoming construction on **Selma Avenue at the east and west sides of its intersection with Cahuenga Blvd**, as part of the City's "Safe Routes to School" pedestrian safety project on the street. The goal of the project is to make this a safer corridor for people -- particularly children and families -- in the area.

**Work will begin this Monday, September 10, 2018, and will last until approximately October 5, 2018.**

- From September 10 to September 21, 2018, there will be a **full closure on the east side** of the Selma/Cahuenga intersection.
- From September 24 to October 5, 2018, there will be a **full closure on the west side** of the Selma/Cahuenga intersection.

During both phases of work, **north/southbound traffic on Cahuenga Blvd will continue to flow.**

Please see the attached Construction Notice. These notices are also being distributed in-person to the neighborhood. Please feel free to share.

For questions directly related to construction, please contact the contractor, Louis Perez, at (818) 262-9881 or [louisperez@cometelectric.com](mailto:louisperez@cometelectric.com). Please also feel free to contact me as well.

Thank you for your patience and understanding as the City brings this improvement to the neighborhood.

Best Regards,

**Dan Halden**

Hollywood Field Deputy

Office of Councilmember Mitch O'Farrell, 13th District
